## OUR STORY

In 1836 David Sprüngli founded Confiserie Sprüngli in Zurich together with his son Rudolf, who was the first chocolate producer in German-speaking Switzerland. With the opening of the store, café and restaurant on the world-famous Paradeplatz in the heart of downtown Zurich, Sprüngli quickly became the most popular address for gourmets from all over the world. Our handcrafted and exclusive confectionery products send our customers into raptures for over 175 years. Today the Sprüngli products remain representative for top Swiss quality and devoted craftsmanship.

In 2014, Confiserie Sprüngli opened its first ever boutique & café outside of Switzerland in Dubai, later followed by a second boutique in Abu Dhabi. Here you can now indulge in a tempting selection of chocolates, Luxemburgerli macaroons or a piece of signature cake while enjoying a cup of coffee or a hot chocolate.

## HOMEMADE CHOCOLATE DRINKS

**A CUP OF XOCOLATL – SPRÜNGLI'S FAMOUS HOT CHOCOLATE** Xocolatl was the name the Aztecs called their drink made from cacao beans. Our founder David Sprüngli perfected the recipe to a perfect rich and full bodied hot chocolate. One of our legendary products.

This famous drink is made from rich Grand Cru chocolate, according to an old, traditional Sprüngli recipe.

## LUXEMBURGERLI®

The basic recipe was brought to Richard Sprüngli in the 1950s by a young confectioner from Luxembourg who was doing an apprenticeship at Confiserie Sprüngli in Zurich. Over the years, it evolved into the irresistible, delicate filled macarons called Luxemburgerli®.

Luxemburgerli® are identified with the name Confiserie Sprüngli at home in Switzerland as well as abroad and are therefore a protected Sprüngli brand.
